

Sport Roehampton President

Hello

Hi everyone, my name is Dan McCue and I am in my second year studying Business Management and Spanish. I have been playing rugby for Roehampton since my first year and have been social secretary for this season as well as being the newly elected as captain for next season. The reason I am running for Sport Roehampton President is because I feel that this is the first year that Sport Roehampton has been established and I would like to use this opportunity to help develop and improve on the foundations of excellent sport that have been built in the last few years.

I have already been involved with the RSU and student development through campaigns with the Welfare department, such as assisting on 'let's kick racism out of sport', as well as other campaigns related to sport.

Aims

The university is going through some massive changes, and we all know that funding has been cut in the HE sector, so it will be good to encourage Sport Roehampton teams and individuals to work together to help and improve the provisions at Roehampton, as well as fundraise to support all the different sport initiatives. An example of this would be something similar to the Rugby Calendar you may have seen that could be used and improved to benefit the whole of Sport Roehampton.

Some of the things I would like to do are;

- Help all teams recruit those all important members at the beginning of the year, as well as sustain them throughout.
- Work with the Sport Roehampton management team to improve communications between themselves and the teams, as well as to improve team collaboration and Sport Roehampton as a whole.
- Liaise frequently with all teams to ensure that they are constantly satisfied and that we are all working together for the best result.
- Communicate well with other departments in the Students Union to bring Sport into the bulk of SU activities
- Get a new kit deal with a top-class company
- Look, and help teams to, get sponsorship deals for equipment and kit
- Change the recruitment system back to an easier and more effective way

Why Vote Dan McCue?

You should vote for me as I am highly motivated and keen to improve and develop sport here at Roehampton to provide the best possible experiences we can for students.
