Sophie Harris

Mature Students Officer

Students' Union Council update on 28/04/2020

Manifesto Objectives:

- [Due to the Covid-19, unfortunately my plan for a last big social meet up is not going to happen. However I am going to offer the mature students a social meet up via Zoom for anyone who wishes to attend.](#)
- I am also planning to do an online weekly session. Quiz night with the mature students will most probably be the way I proceed with it. That allows students to drop in and out on weeks they are able to. I will do this till the end of my role, to keep students connected and hopefully help anyone who may be struggling.
- Other than that, I am limited in what else I can do. I will keep communicating with the union and university and anything outstanding that I was part of, hopefully the next officer can take over for me.

Other activities I've been involved with:

- Online courses and online mental health tips which I can share with mature students.
- Checking in with students to ensure that they are OK. Mature students tend to have a lot more juggling going on, even more so now we are online only. So I will be checking in with them all after having a break myself to deal with everything.

Farrah Black

Gender Equality Officer & NUS Delegate

Students' Union Council update on 28/04/2020

Manifesto Objectives:

- Little has been able to be done from home since the Women's Conference on March 11th
- Trying to share lots of positive feminism related content through social media where I can

Other activities I've been involved with:

- Online courses and online mental health
- Washing my hands 😊

Laoise Holohan

Environment & Sustainability Officer

Students' Union Council update on 28/04/2020

Activities I've been involved with:

- I'm putting out good vibes

Annabel Black

LGBTQ+ Officer

Students' Union Council update on 28/04/2020

Manifesto Objectives:

- [Safe space for LGBTQ+ and faith/religion](#)
- Safe space for BAME LGBTQ+
- Roehampton Pride festival

Other activities I've been involved with:

- Pride celebrations around the globe have been cancelled this year. To raise our spirits, I've created a virtual challenge for the LGBTQ+ community called 'Queer Couture'. I have challenged people to post photos of themselves in their most fabulous, ridiculous and exquisite outfits / makeup to boost morale and pride in the LGBT community.
- I been supporting fellow students in their officer campaigns by sharing their campaign posts on social media, and offering advice and verbal support
- I am running for RoePaul's Drag Society President / Vice President, and have been campaigning creatively on social media
- I've been discussing via email how to digitize my Roey Pride campaign, in order to virtually bring Pride to our students.
- I've contributed to the weekly SSOAP Isolation Challenge by recording myself playing my saxophone!
- I've contributed to the Drag Soc challenge – sharing photos of myself doing mundane household activities in drag
- I've been playing my saxophone in the street for the weekly NHS celebration

Luke Coffey

International Students' Officer

Students' Union Council update on 28/04/2020

Activities I've been involved with:

- Personally reaching out and messaging friends and other international student acquaintances to check in on their quarantine circumstances
- Continued Facebook presence, mainly sharing national/international news regarding covid19, as well as sharing Roehampton and RSU news
- Brief profile/quote by me is now on the Roehampton website's DTP page, potentially will have something posted on the international student page as well
- Potentially co-hosting two webinars in May for potential and prospective American students, dates TBD by Jackie Christopher and International admissions office
- I have surprisingly only had two international students reach out to me regarding circumstances related to quarantine/evacuation/reimbursement... and was able to steer them in the direction of Roehampton's professional resources
